

**REMARKS**

This Supplemental Amendment is submitted in response to a telephonic interview conducted with the Examiner on May 25, 2006. Specifically, during the interview, the Examiner indicated that the Abstract of the Disclosure is objectionable due to excess length. Applicants have amended the Abstract of the Disclosure and submit that the amended version is in compliance with all of the formal requirements.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Deputy to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **393032019700**.

Respectfully submitted,

Dated: May 26, 2006
